

RF Micro-Needling Consent Form

Micro-needling is based on the skin's natural ability to repair itself. Micro-needling treatments create superficial "micro-channels" to the outermost layer of the skin, inducing the healing process including new collagen production. Micro-needling has been shown to reduce the visibility of acne scars, fine lines, and wrinkles, diminish hyperpigmentation, and improve skin tone and texture.

I _____ (Print Name) hereby authorize Salon D' Shayn to perform my Micro-needling treatments.
